

VOLODYMYR FILON

PROFESSIONAL SUMMARY

I always produce clean, simple and understandable code that is easy to maintain and scale. I am highly self-motivated to learn new things and stay up to date with the latest technologies and approaches in development. I enjoy solving complex tasks, since it allows me to apply my skills and knowledge and also helps me to grow constantly in my professional field. Certified in Frontend Web and React JS development. Background includes teamwork, communications, negotiations, managing transportation operations & freight forwarding.

WORK HISTORY

Junior Frontend Developer (remote), 09/2023 to Current

BAZA Trainee Ukraine - Kyiv, Ukraine

- Enhanced user experience by developing and implementing **responsive web development**.
- **Collaborated with team & mentors** to ensure seamless integration of new features.
- **Worked closely with clients** to gather requirements and translate them into technical specifications for implementation.
- **Continuously updated skills** through training courses, workshops, and self-study—staying current on industry trends and emerging technologies.
